Everyone Can Sketch

Carry Little, Create More

In this class you will learn how to capture a moment or scene, on location, quickly using only a waterbrush, pen and notebook.

The 15 minute video includes:
- Explanation of supplies
- A quick background on sketching on location
- A quick demo that includes how to make directional lines with movement and water to create a simple expressive sketch
- Sketching ideas and suggestions will be offered for your group

Supplies included:
- Bristol paper notebook
- Blue ink pen
- Water brush
- Paper towel
